Love and gratitude were in the air at our **10th Annual Mother's Day Luncheon!** With a full house of 106 fabulously dressed people, we came together to network, honor, and celebrate mothers who have led by example, overcome trauma, and are consistent role models to their children and communities.

Congratulations to our Courage and Conviction Award Winners ? These awards are given to women who have demonstrated extraordinary leadership in advocating for the safety and well-being of children at risk of falling victim to street violence. Thank you for making our community a better and stronger place ?

Your dedication to Boston shines through your acts of kindness and support.

Our keynote speaker, Cyntoria Grant, beautifully stated, "It's a mother's love that defies logic, persisting through the challenges of raising children, routed in the selflessness of love." Thank you to everyone who made our 10th Mother's Day Luncheon one to remember!
